

2027 ANNUAL DUES FAQ

1. HOW MUCH ARE THE 2027 ANNUAL DUES?

The total amount due for 2027 annual dues is \$566.50. This amount includes Local, State, and National Association dues.

2. WHY DO I SEE MULTIPLE INVOICES?

For clarity and convenience, your dues have been split into three invoices (Local, State, National). You can pay one invoice at a time, or all at once. When you click Pay Now, the system will automatically show the correct total at the top (\$566.50).

3. WHAT ARE THE SUGGESTED CONTRIBUTIONS?

At the bottom of your invoice, you'll see an optional suggested contribution to the REALTORS® Political Action Committee (RPAC):

REALTORS®	\$25
BROKERS	\$99

At the bottom of your invoice, you'll see an optional suggested contribution to the CMR CARES Foundation 501(c)(3) nonprofit:

REALTORS®	\$25
BROKERS	\$99

These contributions are voluntary and are not required to maintain membership. If you do not wish to contribute, you may adjust the amount before submitting payment.

4. WHEN ARE DUES DUE?

Dec. 1, 2026	All 2027 Annual Dues must be paid in full.
Dec. 2, 2026	\$100 late fee applied.
Jan. 1, 2027	\$100 reinstatement fee applied.
Feb. 1, 2027	Non-Member fee assessed to broker.

5. CAN I PAY IN INSTALLMENTS?

Yes. Because invoices are split into three parts (Local, State, National), you may pay one at a time or altogether. Just remember that the **full balance must be paid by December 1, 2026** to avoid fees.

6. WHAT HAPPENS IF DUES ARE NOT PAID?

FAILURE TO PAY DUES WILL RESULT IN:

- Loss of REALTOR® membership in Local, State, and National associations.
- Temporary loss of MLS access and services.
- Suspension of account until all balances, including fees, are paid.
- Non-Member fee assessed to broker.

7. WHERE CAN I FIND THE OFFICIAL POLICY?

Annual dues billing follows the Central Mississippi REALTORS® (CMR) Bylaws, the policies of the Mississippi Association of REALTORS® (MAR), and the National Association of REALTORS® (NAR).

Members are required to maintain good standing by paying dues on time. Brokers are responsible for all agents licensed under them.

Tip: Always double-check your invoice in the payment portal. The top balance (\$566.50) is the correct amount. The bottom line includes the optional RPAC contribution and may look higher if you don't adjust it.
